

INTELLIGENCE	CHARACTERISTICS OF HUMAN WITH THIS INTELLIGENCE	STATEMENT OF PERSON WITH THIS INTELLIGENCE	TYPICAL JOBS FOR PEOPLE WITH THIS INTELLIGENCE
Logically mathematical	Prefers working in systems and designs.	I'm good at headcount.	Computer programmers, scientists, composers, engineers, inventors, accountants, statisticians, traders, and designers.
Interpersonal	Feel good about working with others.	I am the type of person that people come to for advice and guidance.	Managers, politicians, social workers, doctors, nurses, teachers, sociologists, psychologists, administrators, psychotherapists, consultants, and charismatic leaders.
Intra-personal	Works best alone.	I spend a lot of time alone thinking and meditating.	Planners, self-employed, artists, religious leaders, and writers.
Linguistic	Is good at expressing her-/himself in writing and orally.	Books are important to me.	Journalists, writers, administrators, contractors, salespeople, advisors, lawyers, philosophers, screenwriters, poets, and copy writers.
Musical	Remembers best if there is an opportunity to connect the learning to a song, rhythm, or rhyme.	I play and sing.	Technicians, music teachers, instrument makers, choir singers, musicians, orchestra members, conductors, music critics, aficionados, music collectors and composers.
Bodily-kinaesthetic	Prefers to be able to work with her/his body and in motion.	I have a hard time sitting still and like to do sports.	Mechanics, trainers, contractors, craftsmen, therapists, salespeople, sports analysts, athletes, dancers, sculptors, choreographers, actors, and puppeteers.
Naturalistic	Loves nature and finds connections and patterns in the surroundings.	I enjoy being in nature.	Nature guides, forest managers, and gardeners.
Spatial	Works visually and prefers drawing and illustrating problems visually.	I easily find my way around new, unknown places.	Illustrators, artists, guides, photographers, painters, designers, weavers, architects, building craftsmen, art critics, inventors, and filmmakers.
